

PROGRAM OVERVIEW

The **Safe-Tech Working at Heights Instructor** program is designed for companies that wish to become accredited to conduct internal **CPO Approved** Working at Heights.

COMPLIANCE

Program is in compliance with Ontario regulation 213/91 section 26 of the Construction regs and meets or exceeds all requirements of both the CPO Approved Working at Heights Program Standard and Training Provider Standard.

PRE-REQUISITES

Company and Instructor candidates must meet all requirements of the MOL Training Provider Standard.

PROGRAM INCLUDES

- MOL Approved Program
- Co-branded Power Point Program
- Instructor Manuals
- Written examinations
- Record of training report
- Individual wallet certificates
- Assistance with MOL submission

CLASSROOM TRAINING CONTENT

- Identification of fall hazards
- Equipment selection
- Understanding anchorage points
- Fall protection systems and components
- Basic energy dissipation principles
- Calculating fall clearances
- Rescue plan importance
- Standards and regulations
- Body Harness selection and application
- Component inspection and maintenance

LANGUAGE COMPREHENSION

Safe-Tech programs are conducted in English and best suited for participants with good English comprehension. Please advise our office at the time of booking and prior to the start of the course of any comprehension concerns or if you will be providing a translator when warranted. The instructors will do their best to accommodate, however Safe-Tech cannot be held responsible for any situation where comprehension was a factor due to a language barrier or impediment.

DURATION & LOCATION

3-day program includes In-class, practical and Instructional coaching components and is available on-site at your facility or at our Working at Height Training center in Bolton Ontario.

SAFE-TECH ADVANTAGES

Safe-Tech is the Working at Height and Equipment Training Partner of **Workplace Safety & Prevention Services** and many of our programs are MOE Director approved.

- **Safe-Tech** programs meet or exceed all pertinent standards and regulations.
- On-Site programs are offered on any shift, 24/7, without shift premiums.
- personnel are due for applicable recertification.
- **Safe-Tech** is the first and only training company in the industry to offer a **satisfaction guarantee**. "If the content or presentation of any Safe-Tech program is not to your complete satisfaction, there will be no charge".
