- Loader/Skid Steer/Backhoe Operator Training - \$315 per person

PAYMENT

Corporate clients will be invoiced upon completion of the program. Payment terms are net 15 days. Payment can be made by Company Cheque, Visa or MasterCard. To make payment by credit card, contact our Accounting Department. Individual registrants are required to pay in advance by Certified Cheque, Visa, MasterCard or eTransfer.

NOTE: Cost includes the off-site theory program & practical testing conducted on-site at participant's location on up to 2 pieces of equipment or attachments providing both tests take place at the same time & location during the initial scheduled testing date. Further charges will apply for testing on additional equipment types and travel charges may apply depending on client location outside the GTA. Personnel with little or no prior operating experience will require practical training prior to testing and additional charges will apply.
